Please find below and/or attached an Office communication concerning this application or proceeding.

Notice of Non-Compliance

The examiner thanks the applicant for using the 37 CFR 1.121 identifiers, as they can be helpful in identifying amended claims. However, after consultation with a reissue specialist, the following rejection is required.

The amendment to the claims filed on 5/2/05 does not comply with the requirements of 37 CFR 1.173 which governs reissue practice because:

All claims that are not original to the patent must be underlined.

An amended non-patented (new or previously presented, if 1.121 identifiers were applicable) claim merely adds or eliminates the text from the amended claim without markings as to what the amendment was (because it's all underlined).

Since the reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121 in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
